

## FEBRUARY UPDATE

### **Profile in Hedgeweek**

Following Bougeville Consulting's move to New York, the publication Hedgeweek decided to write a profile on what we do, as part of its "Spotlight: Women in Finance Series." The article may be found [here](#).

### **The Hedge Fund Law Report**

At the end of last year, The Hedge Fund Law Report wrote an article following the conference on Brexit which we moderated in October. A summary of what was said may be found [here](#).

### **Brexit conference in New York**

At the invitation of Chartered Alternative Investment Analyst (CAIA) Association and the New York Alternative Alternative Investment Roundtable (NY-AIR) we moderated a conference panel on Brexit to provide US asset managers with a view of the European evolving landscape. Speakers included BlackRock's Vice Chairman Barbara Novick, Mikhael Ayache of the French Treasury in the US and Lombard Odier's US General Counsel Raymond Mouhadab. Details may be found [here](#).

### **Investor Survey**

And back in the summer of last year many of you kindly spent time responding to a survey on investors' appetite for alternatives. You can now have access to those results by clicking [here](#).

### **Looking forward to being in touch!**
